Section I. Chemical Product and Company Identification

Trade Name & Synonyms	**LASH ADDICTION** **Fabulous Eyelashes Dab It Adhesive Remover**	**CASE**	Not applicable
Chemical Name & Synonyms	Not applicable	**Formula**	CCMI Trade Secret # 6604/1
Manufacturer Reese Robert, Inc. 2707 McCone Avenue, Hayward, CA 94545		**EMERGENCY TELEPHONE NUMBER** CHEMTREC 1-800-424-9300	

Section II. Fire, Explosion and Reactivity Data

Flash Point (method)
Not applicable. Very high percentage of water.

Extinguishing Media Water Spray Co2 Foam Dry Chemical	**Dot Hazard Classification** (Non-Hazardous)
Special Fire Fighting Procedures None	**Unusual Fire and Explosion Hazards** None, Wash with cold water.
Hazardous Combustible None	**Stability** Normal stability
Conditions to Avoid Excessive Cold, or Heat, or Light	**Materials to Avoid** Not Determined

Hazardous Polymerization Products
None

Section III. Physical Data

Odor, Appearance and Physical State
Clean translucent liquid. Match standard.

pH 8.3 + or - 0.2	**Specific Gravity (H20 = 1.0)** @25oC 1.00 + or - 0.03
Viscosity Not applicable	**Solubility in H20** Soluble
Melting Point Not applicable	**Microbiological** Not to exceed 1000 micro-organisim per g/ml. Yeast/mold not to exceed 100 organisms per gram or ml.

Section IV. Protection Information

Respiratory None expected to be needed.	**Ventilation** General room ventilation.
Eye Safety glasses.	**Skin** Protective Gloves: Vinyl or Rubber.
Other Protective Devices & Procedures Eye bath, Safety shower. Follow and perform GMP's.	

Section V. Health Hazard Information

Avoid eyes and Mucus membranes. Product is not for ingestion. This product is non-hazardous and non-flammable at room temperature. No evidence of harmful effects from available information.

Section VI. Emergency and First Aid Procedures

Inhalation Exposure
Remove person to ventilated area and follow first Aid procedures.

Eye Contact
Flush eyes with water for several minutes. Remove contact lenses if worn.

Skin Contact
Flush with cool, clean water.

Other

Product is not for ingestion. No emergency care anticipated in case of ingestion, see Physician ASAP.

Section VII. Spill, Leak and Disposal Procedures

Precautions if Material is Spilled or Released Cover with absorbent or flush spills with water. No special containers required. Large spills should be collected for disposal.	**Waste Disposal Methods** Observe government regulations.

Section VIII. Handling and Storage Procedures

Store in cool, dry area in closed containers. Do not expose to temperatures lower then 50oC or higher then 30oC.

Material Safety Data Sheet Prepared:	**01/30/2001**
