

# Material Safety Data Sheet

## Section 1 - Chemical Product and Company Identification

**Common Name:** LINT-FREE GEL PATCH FOR EYELASH EXTENSION

**Synonyms:** WHITE GEL COATED SHEET

**Company Identification:** NovaLash Inc,

Address: 6116 Skyline Dr, Suite 201, Houston TX 77057

Contact Info: Office: 1-866-430-1261 Fax: 713-621-5080

Hours: Monday – Friday 9a – 6p CST

Web Address: [www.NOVALASH.com](http://www.NOVALASH.com)

## Section 2 - Hazards Identification

Appearance: One side gel coated non-woven

**Caution!** May cause eye and skin irritation. May cause respiratory and digestive tract irritation.

**Target Organs:** No data found.

### Potential Health Effects

**Eye:** May cause eye irritation.

**Skin:** May cause skin irritation.

**Ingestion:** May cause irritation of the digestive tract. The toxicological properties of this substance have not been fully investigated.

**Inhalation:** May cause respiratory tract irritation. The toxicological properties of this substance have not been fully investigated.

**Chronic:** No information found.

## Section 3 - Physical and Chemical Properties

**Appearance:** One side gel coated non-woven

**Odor:** Not available.

**pH:** 5.5±0.5

**Vapor Pressure:** Not available.

**Vapor Density:** Not available.

**Viscosity:** Not available.

**Boiling Point:** Not available.

**Specific Gravity/Density:** Not available.

**Weight of product with coating:** 700gsm  $\pm 10\%$

**Basis Weight of non-woven fabric:** 90.0gsm  $\pm 10\%$

## Section 4 - First Aid Measures

**Eyes:** Flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical aid. If irritation continues, seek medical attention. Call a doctor if necessary.

**Skin:** Get medical aid. Flush skin with plenty of water for at least 15 minutes. Wash clothing before reuse.

**Ingestion:** Induce vomiting by letting victim drink plenty of water (unless unconscious) Contact a doctor immediately. Never give anything by mouth to an unconscious person. Get medical aid. Do NOT induce vomiting. If conscious and alert, rinse mouth and drink 2-4 cupfuls of milk or water.

**Notes to Physician:** Treat symptomatically and supportively.

## Section 5 - Fire Fighting Measures

**General Information:** As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA/NIOSH (approved or equivalent), and full protective gear. During a fire, irritating and highly toxic gases may be generated by thermal decomposition or combustion.

**Extinguishing Media:** Use agent most appropriate to extinguish fire. Use water spray, dry chemical, carbon dioxide, or appropriate foam.

**Flash Point:** Not applicable.

**Autoignition Temperature:** Not applicable.

**Explosion Limits, Lower:**Not available.

**Upper:** Not available.

**NFPA Rating:** (estimated) Health: 1; Flammability: 0; Instability: 0

## Section 6 - Handling and Storage

**Handling:** Peel the strip off from the transparent liner. Apply the strip to under your eyes smoothly. Allow the strip to dry for about 10 to 15 minutes, reducing fine lines and wrinkles around eyes by penetrating effective ingredients continuously as it dries. After the strip is dried, slowly and carefully remove the strip from the edges.

**Storage:** Store in a cool, dry, well-ventilated area away from incompatible substances. Keep away from children.

## Section 7 - Stability and Reactivity

**Chemical Stability:** Stable under normal temperatures and pressures.

**Conditions to Avoid:** Incompatible materials, dust generation, excess heat, strong oxidants.

**Incompatibilities with Other Materials:** Oxidizing agents.

**Hazardous Decomposition Products:** Nitrogen oxides, carbon monoxide, irritating and toxic fumes and gases, carbon dioxide.

**Hazardous Polymerization:** Has not been reported.

## Section 8 - Toxicological Information

**Epidemiology:** No information found

**Teratogenicity:** No information found

**Reproductive Effects:** No information found

**Mutagenicity:** No information found

**Neurotoxicity:** No information found

**Other Studies:**

## Section 9 - Disposal Considerations

Chemical waste generators must determine whether a discarded chemical is classified as a hazardous waste. US EPA guidelines for the classification determination are listed in 40 CFR Parts 261.3. Additionally, waste generators must consult state and local hazardous waste regulations to ensure complete and accurate classification.

**RCRA P-Series:** None listed.

**RCRA U-Series:** None listed.
