

# **Hardy Diagnostics**

# Safety Data Sheet

# 1. Product And Company Identification

1.1. Product identifiers Product Name: Decolorizer, Slow, 25% acetone/75% alcohol Other Common Names: None Catalog Number: D008S

# 1.2. Recommended use

Decolorizer used in the gram stain procedure

# 1.3. Details of the supplier of this Safety Data SheetCompany:Hardy Diagnostics1430 West McCoy LaneSanta Maria, CA 93455Telephone:(805) 346-2766

|                  | (800) 266-2222                         |
|------------------|----------------------------------------|
| Emergency Phone: | (800) 424-9300 ChemTrec (24hr service) |

# 2. Hazards Identification

2.1. Classification of substance or mixture GHS Classification in Accordance with 29 CFR 1910 (OSHA HCS) Acute Toxicity, Oral (Category 4), H302 Skin Irritation (Category 3), H316 Eye Irritation (Category 2A), H319 Flammable Liquid (Category 1), H224 Acute Toxicity, Inhalation (Category 4), H332 Specific Target Organ Toxicity, Single Exposure (Category 1), H370

#### 2.2. GHS Label elements, including precautionary statements

| Pictogram:                |                                                             |  |
|---------------------------|-------------------------------------------------------------|--|
| Signal Word:              | Danger                                                      |  |
| Hazard Statements:        |                                                             |  |
| H302                      | Harmful if swallowed.                                       |  |
| H316                      | Causes mild skin irritation.                                |  |
| H319                      | Causes serious eye irritation.                              |  |
| H224                      | Extremely flammable liquid and vapor.                       |  |
| H332                      | Harmful if inhaled.                                         |  |
| H370                      | Causes damage to organs.                                    |  |
| Precautionary Statements: |                                                             |  |
| P210                      | Keep away from heat, hot surfaces, sparks, open flames, and |  |
|                           | other ignition sources. No smoking.                         |  |
| P233                      | Keep container tightly closed.                              |  |
| P240                      | Ground and bond container and receiving equipment.          |  |

| P241           | Use explosion-proof equipment.                                                                                                         |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------|
| P242           | Use non-sparking tools.                                                                                                                |
| P243           | Take action to prevent static discharges.                                                                                              |
| P260           | Do not breathe dust/fume/gas/mist/vapours/spray.                                                                                       |
| P264           | Wash hands thoroughly after handling.                                                                                                  |
| P270           | Do not eat, drink, or smoke when using this product.                                                                                   |
| P271           | Use only outdoors or in a well-ventilated area.                                                                                        |
| P280           | Wear eye protection/face protection.                                                                                                   |
| P303+P361+P353 | IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water.                                           |
| P301+P312      | IF SWALLOWED: Call a POISON CENTER if you feel unwell.                                                                                 |
| P304+P340      | IF INHALED: Remove person to fresh air and keep comfortable for breathing.                                                             |
| P305+P351+P338 | IF IN EYES: Rinse cautiously with water for several minutes.<br>Remove contact lenses, if present and easy to do. Continue<br>rinsing. |
| P308+P311      | IF exposed or concerned: Call a doctor for emergency medical advice.                                                                   |
| P312           | Call a POISON CENTER if you feel unwell.                                                                                               |
| P330           | Rinse mouth.                                                                                                                           |
| P332+P313      | If skin irritation occurs: Get medical advice.                                                                                         |
| P337+P313      | If eye irritation persists: Get medical attention.                                                                                     |
| P370+P378      | In case of fire: Use alcohol foam, carbon dioxide, or dry chemical to extinguish.                                                      |
| P403+P235      | Store in a well-ventilated place. Keep cool.                                                                                           |
| P405           | Store locked up.                                                                                                                       |
| P501           | Dispose of contents or container at an approved waste disposal facility, according to applicable regulations.                          |

## 2.3. Hazards not otherwise classified or not covered by GHS No data available.

# 3. Composition/Information on Ingredients

# 3.1. Mixtures

Hazardous components:

| Substance:     | Concentration: | Hazard Information:                   |
|----------------|----------------|---------------------------------------|
| Ethanol        | 67.5%          | Flammable Liquid 1                    |
| (CAS# 64-17-5) |                |                                       |
| Acetone        | 25.0%          | Skin Irritation 3, Eye Irritation 2A, |
| (CAS# 67-64-1) |                | Specific Target Organ Toxicity 1,     |
|                |                | Flammable Liquid 1                    |
| Isopropanol    | 3.75%          | Eye Irritation 2A, Specific Target    |
| (CAS# 67-63-0) |                | Organ Toxicity 1, Flammable Liquid 1  |
| Methanol       | 3.75%          | Acute Toxicity – Oral 4, Acute        |
| (CAS# 67-56-1) |                | Toxicity – Inhalation 4, Flammable    |
|                |                | Liquid 1, Specific Target Organ       |
|                |                | Toxicity 1                            |

# 4. First Aid Measures

#### 4.1. Description of first aid measures

| Inhalation:   | If inhaled, remove to fresh air. If not breathing, give artificial    |
|---------------|-----------------------------------------------------------------------|
|               | respiration and immediately seek medical attention.                   |
| Ingestion:    | Do not induce vomiting unless directed to do so by medical personnel. |
|               | Never give anything by mouth to an unconscious person. Seek medical   |
|               | advice.                                                               |
| Skin Contact: | Immediately wash thoroughly with soap and water. If irritation        |
|               | persists, consult a physician. Avoid touching contaminated clothing.  |
| Eye Contact:  | Check for and remove any contact lenses. Immediately flush eyes with  |
|               | plenty of water for at least 15 minutes, keeping eyelids open. If     |
|               | irritation persists, consult a physician.                             |

#### 4.2. Most important symptoms and effects, both acute and delayed

The most important known symptoms and effects are described in the labeling (see section 2.2) and/or in section 11.

4.3. Indication of any immediate medical attention and special treatment needed No data available.

# 5. Firefighting Measures

5.1. Extinguishing media

Carbon dioxide, dry chemical powder, or appropriate foam.

5.2. Special hazards arising from the substance or mixture

Pyrolysis will release toxic carbon monoxide.

- 5.3. Advice for firefighters In the event of a fire, wear protective clothing and NIOSH-approved breathing apparatus necessary to prevent any possible irritation.
- 5.4. Further information No data available.

# 6. Accidental Release Measures

- 6.1. Personal precautions, protective equipment and emergency procedures
   Wear protective equipment: chemical resistant gloves. Keep unprotected persons away.
   Environmental precautions
   No data available.
- 6.2. Methods and materials for containment and cleaning up Wipe up with a damp sponge or mop.
- 6.3. **Reference to other sections** For disposal, see section 13.

# 7. Handling and Storage

#### 7.1. **Precautions for safe handling** Wear appropriate personal protective equipment.

7.2. Conditions for safe storage, including any incompatibilities

Keep container tightly closed. Store in a cool, dry place inaccordance with specified storage conditions.

#### 7.3. Specific end uses

Apart from uses mentioned in section 1.2, not other specific uses are stipulated.

# 8. Exposure Controls/Personal Protection

- 8.1. Control parameters
  - No data available.
- 8.2. Appropriate engineering controls Safety shower and eye bath.
- 8.3. Personal protective equipment

| Eye/Face:        | Safety goggles           |  |
|------------------|--------------------------|--|
| Skin:            | Chemical Resistant glove |  |
| Respiratory:     | Face mask                |  |
| Thermal Hazards: | None for normal use      |  |

# 9. Physical and Chemical Properties

#### 9.1. Information on basic physical and chemical properties

| Appearance:                              | Physical State: Liquid<br>Color: Clear, colorless |
|------------------------------------------|---------------------------------------------------|
| Odor:                                    | Alcohol and Acetone                               |
| Odor Threshold:                          | Not Determined                                    |
| pH:                                      | ****                                              |
| Melting/Freezing Point:                  | Not Determined                                    |
| Boiling Point:                           | 60-63°C                                           |
| Flash Point:                             | Not Determined                                    |
| Evaporation Rate (Ethanol = 1):          | 1                                                 |
| Flammability:                            | Not Determined                                    |
| Explosion Limits:                        | Not Determined                                    |
| Vapor Pressure:                          | 184 @ 20°C                                        |
| Vapor Density (air = 1):                 | 2                                                 |
| Relative Density:                        | 0.787 g/ml                                        |
| Water Solubility:                        | Infinitely miscible with water                    |
| Partition coefficient (n-octanol/water): | Not Determined                                    |
| Auto-ignition Temperature:               | Not Determined                                    |
| Decomposition Temperature:               | Not Determined                                    |
| Viscosity:                               | Not Determined                                    |
| Explosive Properties:                    | Not Determined                                    |
| Oxidizing Properties:                    | Not Determined                                    |

#### 9.2. Other safety information

No data available.

#### 10. Stability and Reactivity

| Reactivity                         | No data available.      |
|------------------------------------|-------------------------|
| Chemical stability                 | This product is stable. |
| Possibility of hazardous reactions | No data available.      |

| Conditions to avoid              | Heat, flame, and sources of ignition.      |
|----------------------------------|--------------------------------------------|
| Incompatible materials           | Oxidizers                                  |
| Hazardous decomposition products | No dangerous decomposition products known. |

## 11. <u>Toxicological Information</u>

11.1. Information on toxicological effects

| Acute toxicity                            | No data available  |
|-------------------------------------------|--------------------|
| Skin corrosion/irritation                 | No data available  |
| Serious eye damage/eye irritation         | No data available  |
| Respiratory or skin sensitization         | No data available  |
| Germ cell mutagenicity                    | No data available  |
| Carcinogenicity                           | No data available  |
| Reproductive toxicity                     | No data available  |
| Specific target organ toxicity – single   | No data available  |
| exposure                                  |                    |
| Specific target organ toxicity – repeated | No data available  |
| exposure                                  |                    |
| Aspiration Hazard                         | No data available  |
| Additional information                    | No data available. |

# 12. Ecological Information

| Toxicity                           | No data available |
|------------------------------------|-------------------|
| Persistence and degradability      | No data available |
| Bioaccumulative potential          | No data available |
| Mobility in soil                   | No data available |
| Results of PBT and vPvB assessment | No data available |
| Other adverse effects              | No data available |

# 13. Disposal Considerations

#### 13.1. Waste disposal

Dispose of in accordance with applicable state and federal regulations. Disposal must be in accordance with regulations 40 CFR 261.

# 14. Transport Information

| DOT hazard class      | 3                      |
|-----------------------|------------------------|
| Shipping name         | Ethyl Alcohol Solution |
| Identification number | UN1170                 |
| Packing group         | 11                     |

**NOTE:** Bottles smaller than 32 Fl. Oz. are eligible to be shipped under ORM-D or limited quantity exemptions [49 CFR section 173.150(b)(2) and 173.150(C)].

#### 15. Regulations

| Carcinogenicity | Yes/No                      |
|-----------------|-----------------------------|
| NTP:            | No                          |
| IARC:           | Yes; Isopropanol Category 3 |
| OSHA:           | No                          |

| California Prop 65: | Yes, Methanol |
|---------------------|---------------|
| IATA:               | No            |

# 16. Other Information

The above information, to the best of our knowledge, is accurate. Hardy Diagnostics assumes no liability whatsoever for the accuracy or completeness of the information stated above. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards may be described, we cannot guarantee that these are the only hazards that exist.
